#### **DETAILED ACTION**

# Allowable Subject Matter

Claim 1 -2 is allowed.

1. The following is a statement of reasons for the indication of allowable subject matter: prior art fails to show an electrical energy generator device having a an array of micro-fans each associated to an dynamo electrical generator by means of a connecting shaft provided with a lug element which mechanically co-operates at each revolution with a piezoelectric element, for the production of additional electrical energy.

## Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

- (b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.
- 3. Claim 3 is rejected under 35 U.S.C. 102(b) as being anticipated by Change(US 5223763).

Change disclose in fig.1 an electrical generator having: one or more plates(47) of piezoelectric material(35-45) positioned in the direction of a flow of air within a conduit(13) for conveying air in such a way that the plates are forced to vibrate by the flow of air(fig.1 wind) consequently produce electrical energy.

### Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Karen B. Addison whose telephone number is 571-272-2017. The examiner can normally be reached on 8:00 to 4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Darren Schuberg can be reached on 571-272-2044. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
